GULF STREAM

THREE OUTSTANDING VIBURNUMS

VIBURNUM,
Carlesii

Sweet Scented Carlesii

A light, delicate, spicy fragrance from blossoms tinted a delicate pink. Commonly called the Pink Snowball, this unusual shrub is covered from top to bottom with heavenly scented flowers brushed lightly with pink—the insides a snow-white. A well shaped, bushy shrub 5 to 6 feet tall and just as wide, it branches lazily to the ground. Deep green foliage takes on a bronze-red cast in the fall.

1-year seedlings, 100, \$25.00; 1000, \$225.00

Setigerum

A very rare and unusual shrub that is literally covered with clusters of brilliant red berries in late summer and autumn. In early summer, it produces a lovely display of white flowers with large, clean, deep green leaves. This is one of the finest tall shrubs in cultivation. Average height about 10 ft.

1-year seedlings, 100, \$18.00; 1000, \$150.00

Dilatatum

Of Japanese origin, this handsome shrub produces large 5-inch clusters of attractive white flowers in May and June. It is especially colorful in the fall when branches are covered with long lasting scarlet fruit. Very hardy and of easy culture. Height 6 to 10 feet.

1-year seedlings, 100, \$12.00; 1000, \$100.00

FORSYTHIA, *Lynwood Gold*
See other side for description

HYPERICUM, *Hidcote*

A compact, twiggy shrub covered throughout the summer with bright yellow, cup-like flowers. In cold winters, it may freeze back to the ground, but will spring up again from the base and produce masses of flowers.

	100	1000	
2 1/4-in. pots	\$22.50	\$200.00	Spring delivery only
2-year F. G.	50.00	450.00	
3-year F. G.	60.00	550.00

STEPHANANDRA, *Incisa Crispa*

STEPHANANDRA, Incisa Crispa

Graceful, very dwarf shrub has finely incised, bright green leaves that change to a brilliant reddish purple in autumn. Grows well in shade and is a splendid ground cover. Produces small clusters of white flowers, but is really grown for its dainty fern-like foliage.

2 1/4-in. pots. Spring delivery only 100, \$28.00; 1000, \$250.00
2-year F. G. 10, \$ 9.00; 100, \$ 75.00

TAMARIX, Pink Cascade

This charming newcomer from England is excellent for seashore planting. Pink Cascade is destined to be very popular because it produces masses of cascading panicles of flesh-pink flowers in late summer when very few shrubs are in bloom. Handsome, rich, blue-green foliage. Plant Pat. No. 1275.

1-year Hardwood Cuttings 100, \$30.00; 1000, \$250.00
18-24 inch 10, \$5.00; 100, \$40.00; 1000, \$350.00
2-3 ft. 10, \$6.00; 100, \$50.00; 1000, \$400.00

TAMARIX, *Pink Cascade*

TWO NEW FORSYTHIAS

Beatrix Farrand

A spectacular new Forsythia originated at the Arnold Arboretum by Dr. Karl Sax. It is an extremely vigorous grower, making a large symmetrical bush. The deep, golden yellow flowers are over 2 inches in diameter and have striking orange markings in the throat.

	10	100	1000
